1 INT 610, Fundamentals of Intelligence is a pre-requisite course for all other Intelligence courses. It must be taken before enrollment in any other Intelligence course.

2 All students must choose one specialization and take the courses within that specialization.

3 Students must take NSC 639 within their first year.

4 Students enroll for thesis after the successful completion of all other course requirements. Please request a thesis advising manual from your faculty advisor.

5 Students must successfully complete an oral examination after the completion of thesis.

5 The required minimum cumulative GPA for graduation is 3.0.

Advising Notes:
